Dear Math Kangaroo Managers,

I am excited to welcome you back as we prepare for another Math Kangaroo season!

Key Dates

- **September 5–14:** Please [log in](#) to your account and verify your competition details (address, exam start time, etc.). If corrections are needed, email me immediately.
- **September 15:** Registration officially opens for the March 2026 competition.

What's New (and What's Staying the Same)

- Manager Agreement Form - **NEW!**
- Student pricing remains unchanged.
- We will continue using the same system as last year.
- You will receive regular monthly emails with updates, resources, and important deadlines.

Your Action Items

1. Review and confirm your competition settings by September 14.
2. If you cannot host a testing center in 2026, or if any changes are required, please email me right away. (*No confirmation is needed if your details remain the same.*)
3. Review the updated **Math Kangaroo Guidelines** and complete the [Manager Agreement Form](#) at your earliest convenience.

Thank you for your ongoing dedication to Math Kangaroo. Because of your commitment, we continue to inspire and engage more students each year. I look forward to working together for another successful season!
